

14th March 2021

Ref: SIC-SSC-2104-019

STRUCTURAL SOUNDNESS CERTIFICATE

DETAILS:

1. Name of School	Aspire Indian International School
2. Address	Street 100, Block 1, Abbasiya School Complex, Kuwait
3. No. of floors on which the school classes are running	It is concrete structure building with 3 floors

ASSESSMENT:

We certify that we have inspected the Aspire Indian International School building premises referred to the above and examined the various parts including the foundation, walls, and roofing with special reference to the class rooms.

We are of the opinion that works and construction in premises are structurally sound and satisfactory and that their stability will not be endangered by their use as school.

Thanks and regards,
